WELCOME TO THE GAINES ESTATE

*This estate has a history of making memories,
we are dedicated to helping you make yours.*

The Gaines Estate is a 1920's era mansion located in downtown Fayetteville, WV. The house was the most prominent residence in Fayetteville for many years until it was severely damaged by fire in 2008. Cascade Properties is restoring the house to its former glory to provide the perfect wedding venue.

Every detail of this stunning estate has been designed with your event in mind. We offer endless event opportunities, whether it be a romantic outdoor wedding in the field, a sunset cocktail hour on the second-floor balcony, or a private dinner in one of our beautifully appointed dining rooms.

This estate has a long history of making memories, and we want to help you make more, whether it be dancing the night away on our dance floor, or preparing for your wedding day festivities in our private bridal suite. Every detail has been carefully planned to make your event seamless.

Ceremony Site Set Up

The Gaines Estate has many beautiful outdoor locations for your wedding ceremony. Wedding packages include set up of chairs and other features to create the perfect wedding spot. Ceremonies can also be held inside the Gaines Estate House or in the pavilion or a wedding reception tent.

Reception Pavilion

A 40 x 100 pavilion that will seat up to 210 guests will be constructed next to the Gaines Estate house. A flagstone walkway will connect the pavilion to the house for guests to easily access the bar area, restroom facilities and other amenities. A portable bar can be set up in the pavilion and two bathrooms will be located there. The pavilion will be fully enclosed with heating and air conditioning for use during all seasons. Larger parties can be accommodated by seating additional guests on the covered side porch, in a wedding tent nearby or inside the house in the dining areas. The pavilion will be ready for weddings beginning in May 2020.

Wedding Reception Tent

The Gaines Estate has a 10 acre lawn and 50 acre pasture field behind the house. A large wedding reception tent can be set up anywhere on the grounds. Some of our wedding parties have elected to set up long tables on the grounds without a tent. In this case, the pavilion or a wedding reception tent can be used as the back-up plan in case of rain. If desired, the wedding reception tent will be rented and the cost will be added to the venue rental fee. The cost will depend on the size and type of tent.

Tables and Chairs

Tables and chairs are included in the venue rental fee. Table linens will be provided for a laundry fee of \$7.00 per linen.

Bridal Suite

The bridal suite is located on the first floor and is available for the bride to get ready for the ceremony. It includes an attached ADA accessible full bathroom with a large vanity sink, mirrors and four electrical outlets for curling irons and other electrical accessories. A full length mirror and three additional smaller vanities, each with a mirror and four outlets are located in the suite itself for the bride and bridesmaids to use. The adjacent bathroom will also be set up with a vanity, mirror, outlets and lighting for another bridesmaid, allowing the bride and four bridesmaids to get ready at the same time.

Second Floor Suite

A two room suite with bathroom and access to one of the outdoor decks is located on the second floor. The second floor suite can be used to prepare for the wedding.

Gaines Estate Lodging

The bridal suite and second floor suite can be reserved for overnight lodging before and after the wedding. The bridal suite on the first floor will have two single beds and an attached bathroom. The second floor suite has one bedroom with a queen size bed and a living room with a sofa bed. The second floor suite has a full bath and has access to a large deck.

Nearby Offsite Housing

The bride and groom and their attendants and families have four other nearby offsite options to prepare for the wedding. Both the McGrath House and the Wiseman Cottage have four bedrooms and two full baths and one half bath. The Gaines Estate Caretaker's House has two bedrooms and one full bath. All three are located a short walk from the Gaines Estate house.

Two other larger four bedroom houses are located about a mile from the property. These houses can also be used for overnight lodging before and after the wedding. These houses are rented separately from the wedding venue through vrbo.com. Pictures and links to vrbo.com are found at the end of this brochure.

Bar/Lounge Area

The Gaines Estate will have a fully stocked bar/lounge area available for your use. See below for pricing of beverages. A portable bar can be set up on the second floor of the house or in the pavilion.

Dance Floor

Three options are available for a dance floor for the reception.

Option 1 – The pavilion can be used to set up a stage and a dance floor.

Option 2 – The covered flagstone side porch of the Gaines Estate House makes an excellent dance floor.

Option 3 - A temporary dance floor can be set up in the front room of the Gaines Estate House. The cost of the temporary dance floor is \$250.

Balconies

The Gaines Estate has two 2nd floor balconies with beautiful views that can be used for drinks and hors d'oeuvres or breakfast.

Outdoor Fire Pit

A sandstone masonry outdoor fire pit will be available during the reception. The fee for setting up and tending the fire pit is \$25 per hour.

Golf Cart

We can provide a golf cart with driver to shuttle guests from the parking area to the house. The service costs \$50/hr including the driver.

**Antique Car/
Horse Drawn Carriage**

We can arrange for an antique car or horse drawn carriage for your ceremony. Please let us know what you are looking for and we will get you a quote.

ADA Access

The house will be equipped with a wheelchair lift to provide access for persons with disabilities to the first floor of the house. The bathrooms in the first floor are ADA compliant.

Extended Hours

If you want to have access to the house for additional hours for setting up for the wedding or if you want to continue the celebration later into the night we are happy to accommodate your needs. Additional set up time before the wedding is charged at \$100 per hour. Extended reception time is charged at \$200 per hour. Food and Beverage Service

IN-HOUSE CATERING BY DOBRA ZUPAS

Catering

The Gaines Estate House will be equipped with a commercial catering kitchen that will be capable of preparing meals for up to 250 guests. Dobra Zupa's Restaurant, one of the premier restaurants in Beckley, will be our in-house caterer. Becky Zupanick has owned and operated Dobra Zupas since 2011.

A wide selection of standard menu options are available or a customized menu can be prepared if different menu items are desired including vegan menu options. In addition to the reception dinner, Dobra Zupas can prepare and serve hors-d'oeuvres for a pre-wedding cocktail hour, the rehearsal dinner and breakfast and/or lunch on the day of the wedding. For weddings held in 2019, Dobra Zupas can cater your wedding from their Beckley location or the wedding party can bring in their own outside caterer. Beginning in 2020, wait staff and tableware are included in the in-house catering fee. We encourage you to use Dobra Zupas, however, wedding parties have the option to bring in their own outside caterer. The outside caterer must use Dobra Zupas servers and the outside caterer will not be allowed to use the on-site kitchen or food storage facilities. If an outside caterer is used, the Gaines Estate dinnerware can be used for the reception for a fee of \$3.50 per place setting. Dobra Zupa servers will be charged at \$35.00 per hour. Dobra Zupas is also available for catering events outside of the Gaines Estate.

Please contact Becky Zupanick at 304-673-8994 or at Rebecca.zupanick@dobrazupas.com to get menu options, pricing and to discuss your catering needs.

Beverages

The Gaines Estate will have a lounge with a bar on the first floor adjacent to the covered porch. Beer, wine and liquor can be provided. The beverage charge will include one bartender for the duration of the event and bar supplies.
